

***Family Investment Administration***

**Request to Withdraw from Project Participation**

I, \_\_\_\_\_, request to withdraw from participation in the Earned Income Disregard (EID) project. I have been informed of the purpose of the project. By choosing to withdraw, I understand that I may not be considered for participation in the project later.

*Please help us develop new policies and procedures by letting us know why you are requesting to withdraw from the project. This section is optional, but it will help us if you answer.*
